SUMMARY

Accounting manager with ten years across public accounting and in-house finance. Runs a fast, clean month-end close, led a move from QuickBooks to NetSuite, and builds small teams that don't need heroics at quarter end.

EXPERIENCE

Accounting Manager

Mar 2021 – Present

Peakline Software, Denver, CO (B2B SaaS, about 600 employees)

- Lead a team of 6 covering the general ledger, accounts payable, payroll and the monthly close.
- Cut the month-end close from 10 business days to 6 by rebuilding the close calendar and reconciliations.
- Led the migration from QuickBooks to NetSuite with an outside implementation partner; live in 2022.
- Automated accounts payable approvals with Bill.com, removing paper invoices entirely.
- Partnered with the revenue accountant on ASC 606 revenue recognition for subscription contracts.
- Prepared schedules and managed requests for the annual external audit.

Senior Accountant

Jun 2017 – Feb 2021

Front Range Outdoor Co., Englewood, CO (outdoor retail, about 300 employees)

- Owned fixed assets, prepaid and accrual schedules, and inventory reconciliations across 12 stores.
- Trained two staff accountants and wrote the close checklist the team still uses.

Staff Accountant, Audit

Aug 2015 – May 2017

Henley & Park CPAs, Denver, CO

- Audit fieldwork for private companies in retail and construction.

EDUCATION

BS, Accounting, Front Range State University, 2015

CPA exam: passed 3 of 4 sections

TOOLS

NetSuite, QuickBooks, Bill.com, Expensify, Excel (advanced: lookups, pivot tables, Power Query), Tableau

A made-up person, for testing the job-search kit. The companies and university are invented.
